

Nature Tour Itinerary

(2-Day Tour)

Day 1

Begin your morning bright and early at Hans & Pat Suter Wildlife Refuge or Blucher Park, conveniently located close to downtown Corpus Christi. Next stop by Padre Island National Seashore for the morning and discover a variety of shore birds and washed up treasures along the hundreds of miles of sandy shores. After a relaxing lunch at one of the variety of casual eateries on Padre Island, take a short drive to South Texas Botanical Gardens and Nature Center for an afternoon of observing a variety of natural habitats. Enjoy the afternoon on a kayaking excursion along the Lighthouse Trail or reserve a wetland kayaking experience with the Texas State Aquarium. After the excursion, enjoy a fantastic presentation of our feathered friends in the Hawn Wildflight Theater.

Day 2

Start your morning off with a scenic drive to nearby Port Aransas and log a remarkable long list of species you'll see at the Port Aransas Birding Center. Next, stop in at the UTMSI's Visitor Center for a tour and take a stroll along their nature boardwalk. Head over to Fisherman's Wharf for an afternoon of dolphin watching and a tour of the bay. End your day at Goose Island State Park in nearby Rockport for a birdwatching hike and a possible sighting of the endangered Whooping Cranes.
